

# John Knox Presbyterian Church

## Vision & Values

### Vision

*“A worshipping church that launches God’s people into ministry and mission”.*

**Statement:**            *“A Place to Believe, Belong and Become!”*

### Values

Why we do what we do.

**Outward Focus:** We value all attempts which assist the church in looking beyond itself to the wider world with the gospel of Jesus Christ, as well as the process which enables God’s people to discover their giftedness for ministry and to engage the culture with the whole gospel of Jesus Christ.

**Spiritual Maturity:** We value the process which enables God’s people, no matter what stage of life and faith, to become like Jesus Christ, and for the church to be and become the body of Jesus Christ.

**Pursuit of Excellence:** We value the pursuit of excellence in all aspects of Christian life, worship, ministry, and mission. Excellence is defined as offering the best of who we are, recognizing and utilizing the spiritual gifts God has given us and making the most of every opportunity. God’s glory demands it, and our culture expects it.

**Leadership:** We value authentic leaders who will encourage all people, individually, and corporately to discern and respond to God’s call on their lives.
